- Vienna Boys Choir in Singapore 2018 (Sat, 13 Jan 2018) - Victoria Concert Hall
- Coming Together to Sing with Vienna Boys Choir (Mon, 15 Jan 2018) - Esplanade Concert Hall.

Vienna Boys Choir will offer music, learning and entertainment in a week of activities, which includes singing, music master classes and socialising. The eventful week is called 'See, Sing, Study and Socialise, with Vienna Boys Choir' (SVBC). It is the first time that the renowned choir will be spending a week here, as previous visits are much shorter.

The Vienna Boys Choir is one of the oldest, most established choirs in the world. A leader in Classical and Choral Music, the Austrian choir is the modern-day descendant of the boys' choirs of the Viennese Court, dating back to the Middle Ages

The 500-year old choir will be led by conductor Maestro Luiz de Godoy, who is the 2016 recipient of the renowned Erwin Ortner Prize for Choral Music. Music master classes and training sessions will be conducted by Professor Gerald Wirth, Artistic Director and President of the choir. Professor Wirth was himself a chorister in the choir in his younger days.

*“The week will bring together choral music lovers, including professionals, singers and audiences around the globe, in the spirit of singing, friendship, cultural exchange and collaboration,”* said Ms Iris Koh, CEO of local music management company ChorusArt Pte Ltd, presenter of the SVBC week.

Singapore can expect gala concerts, performances, master classes for choirs, workshops for conductors, a planned charity dinner, after-rehearsal and concerts get-togethers. Vienna Boys Choir will give two public concerts, where they will be joined by the kids’ philharmonic@sg Orchestra after the intermission. In recognition of local choirs, Vienna Boys Choir will invite Singapore choirs to perform with them in the last three songs of the Coming Together To Sing Concert. It will be the wrap up and grand finale to SVBC week.

*“We welcome local choirs to sing with Vienna Boys Choir – it’s a great way for the young to enjoy each other’s company through the common language of music!”* said Ms Koh.
